

Step into Modern Living: Exclusive Sneak Peek of Innovative Smart Home Cottages Coming to Chicagoland

Arlington Heights, Ill. – July 24, 2024 - Lutheran Life Communities, a non-profit senior living and services organization, announces the expansion of two of its 62+ senior living campuses with the planned development of up to 24 new cottage homes. The new cottages will be built at Pleasant View in Ottawa, Illinois and Wittenberg Village in Crown Point, Indiana. The cottages at these two entrance fee communities are designed for modern living and long-term peace of mind. Whether residents are still working or retired, these cottages offer the perfect rightsizing option with stunning designs and spacious plans. They even include an attached two-car garage, a private patio and intuitive smart home technology.

“These new cottages will feature the latest in adaptive, universal design and innovations, allowing residents to age in place comfortably,” said Dawn St. Claire-Davis, Executive Director at Pleasant View.

“These new homes are pet-friendly and range in size from 1,392 to 1,508 square feet, providing ample space akin to single-family dwellings,” added Steve Owen, Executive

Director at Wittenberg Village. “Universal design ensures homes are accessible, functional, and desirable for all ages and abilities, promoting independence and safety.”

Both communities are planning an exclusive Cottage Expansion Preview Party. Savor wine and hors d’oeuvres as the new cottage plans are unveiled. Lutheran Life Communities Foundation President Joe Anderson and his development team will share their vision for cottage design and architectural planning, including floor plans, site plans, and design options.

Wittenberg Village is hosting its exclusive preview party on Tuesday, August 13, from 4:30 to 6:30 p.m. at Landahl Landing at Wittenberg Village. Pleasant View is hosting its preview party on Tuesday, August 20, from 4:30 to 6:30 p.m.
